

“taking the myth out of finance”

CFA® LEVEL II 2012 JUNE EXAM

INTENSIVE REVIEW COURSE

JOHANNESBURG

The Johannesburg School of Finance will again be offering the following intensive Level II review course of 12 Tuesday and Thursday evening sessions from 18h00 to 21h00, plus a sample exam, in Johannesburg, to help candidates with their preparation for the Level II exam:

<u>Session</u>	<u>Date</u>	<u>Topic</u>
1	14 February	Welcome, Introductions, Ethics
2	16 February	Quantitative Methods
3	28 February	Economics
4	1 March	Financial Reporting and Analysis
5	13 March	Financial Reporting and Analysis / Corporate Finance
6	15 March	Corporate Finance / Equity
7	27 March	Equity
8	29 March	Equity / Alternative Investments
9	10 April	Alternative Investments / Fixed Income
10	12 April	Fixed Income / Derivatives
11	24 April	Derivatives
12	26 April	Portfolio Management
	8 May	Sample Exam

The purpose of the programme will be to ensure that candidates understand selected key principles and concepts covered in each study session. The approach will be as follows:

- A short introduction and summary lecture on key aspects of each study session
- Illustrated examples and applications
- Exercises based on recommended problems
- Opportunity for questions and discussion.

Candidates will receive a file of JSF slides and study notes covering the workshop topics.

Support Service for Workshop Candidates: Candidates will also be able to consult the presenters outside the workshop times to discuss any syllabus-related questions and problems.

Workshop Venue: Glen Hove Conference Centre, 52 Glenhove Road, Rosebank

Costs: R4950 plus VAT (**R5643**), payable on registration. Full payment secures your place. Payment terms are available.

To register: Contact us on +27 11 704 7577 or email registrations@jhbfin.co.za.

About the workshop facilitators

Peter van Ryneveld, CFA

Peter has Masters Degrees in Economics and Law. He spent the first part of his career in merchant banking and stockbroking, mainly in investment research. Since then, Peter has been a professional trainer, conference facilitator and presenter for over sixteen years and has conducted CFA preparation workshops for the past nine years.

Stephán Engelbrecht, CFA

Stephán has a degree in Financial Mathematics and an Honours Degree in Investment Management. He has six years experience in the investment management profession with a specific focus on quantitative investment management. For the past four years Stephán has been the fund manager of a market neutral hedge fund at Capricorn Fund Managers.
